Returning this year - We will be running a summer-long ladder for juniors. Similar to adult tournaments, participants will be able to schedule their own matches (sometimes during Friday scrimmages) and will end with a Labor Day Tournament. Participation in and oversight of ladder will be managed by John Morlidge. More information to follow.

Supervised Friday ladder matches/scrimmages are included for classes higher level yellow ball as noted above. Scrimmages will be between 11-4 depending on availability of courts and might include match play with other clubs. Ladder matches can be held at this time when we have space for singles courts. Friday matchplay will be a mix of singles and doubles. Not all players attend every scrimmage due to their schedules but match play is highly encouraged. No refunds are available for missing Fridays. There will be additional subgroups within these groups and times at the pros discretion. If you have questions about levels please contact Dara Keidan (darak@tenandfit.com) before registering.

RFTC members will be given registration priority and will be permitted to register for mon/wed and tu/thurs class at the appropriate level - not every level is offered every day - kids can play in lower level but cannot level up without permission.

Optional matches will be available some Fridays for other groups on occasion by invitation for a fee - more information will be available during summer.

Registration link and more information about policies at <https://rftc.org/junior-tennis-program> (4/4/24).
